Hard work and a dream. That's what established American Kawasaki Motorcycle Corp. way back in March of 1966. The first headquarters, an old meat warehouse in Chicago, was a humble beginning for the factory team sent to open the U.S. market. They started with practically nothing - no customers, no distributors and no image.

The history of the word nigger is often traced to the Latin word niger, meaning Black. This word became the noun, Negro (Black person) in English, and simply the color Black in Spanish and Portuguese. In early modern French, niger became negre and, later, negress (Black woman) was unmistakably a part of language history.
