Bears In The Night

"Bears in the Night" is a book for bedtime, story time, any time. It is a book for Halloween, a book for camp. It is a book for all places and all people and all times. Call me sentimental, but a hundred years from now, "Bears in the Night" will remain.

As an English teacher, I have used Bears in the Night, along with other children's books by the Berenstains, Dr. Seuss and the like, to help students understand parts of speech. Bears in the Night focuses on prepositions. He Bear, She Bear is great for pronouns. I have had students work with partners to find adjectives in Dr. Seuss's books.

Bears in the Night (Berenstain Bears Series) by Stan ...

A bunch of bears sneak out of the bed at night to explore Spook Hill. They are startled by an owl and run back home to hide in their beds. This simple story is great for the earliest readers. Each page has just a few sentences that often build on the last sentence.

Bears in the Night by Stan Berenstain - Goodreads

A bed full of sleeping bears jump out the window and up Spook Hill when they hear a noise. But what they find at the top of the hill frightens them right back to bed! This appears to be one of the earliest works by the Berenstains. The characters are not yet developed, and this isn't their typical moral story.
