### Canada And The United States

Canada-United States relations covers the bilateral relations between the adjacent countries of Canada and the United States. Relations between Canada and the United States historically have been extensive, given a shared border (the longest in the world) and ever-increasing close cultural, economical ties and similarities. The shared historical and cultural heritage has resulted in one of ...

### Canada-United States relations - Wikipedia

The United States and Canada share the world's longest international border, 5,525 miles with 120 land ports-of-entry, and our bilateral relationship is one of the closest and most extensive. It is reflected in the high volume of bilateral trade - nearly \$2 billion a day in goods and services - and in people-to-people contact - about 400,000 people cross between the two countries every day.
