Color Atlas of Dental Medicine: Periodontology ...

This 3rd version of the colour Atlas of Periodontology now emerges, greater than thirteen years after the second one. The reasons for the long delay are many, however the saddest changed into the passing of our colleague and buddy, and co-author Edith's husband, Klaus Rateitschak, on September 30, 2002. We dedicate this third edition to him, an version on which he worked intensively, up to the very end, and in which he observed vast joy and pride in the nearly innumerable improvements that ...
