Database Design for Mere Mortals (3rd ed.)

Time was, all database design books were packed with mathematics and jargon. You'd be up to your neck in normal forms before you even had a chance to wade. When Michael J. Hernandez needed a database design book to teach mere mortals like himself, there were none. So he began a personal quest to learn enough to write one.

Database Design for Mere Mortals: A Hands-On Guide to ...

Database Design For Mere Mortals is an unusual book. Most database books describe how to use a particular piece of database software, but give little attention to high-level design of how the data ought to be structured.
