## **29 Tips For French Braiding Your Own Hair**

There are many different ways of French braiding that make it unique; for example, a person can braid at a slant, braid into a bun, or only braid the bangs (fringe). Compared to the simplest form of hair braid, a French braid has several practical advantages: it can restrain hair from the top of the head that is too short to reach the nape of the neck, and it spreads the weight and tension of the braid across a larger portion of the scalp.
