A documentary film is a non-fictional motion-picture intended to "document reality, primarily for the purposes of instruction, education, or maintaining a historical record". Bill Nichols has characterised the documentary in terms of "a filmmaking practice, a cinematic tradition, and mode of audience reception [that remains] a practice without clear boundaries".

There are many documentary films which cover the ins and the outs of the Second World War conflict years i.e. between 1939 and 1945, quite a few of these even go as far as detailing the lead up to the war but there isn't much on what happened directly after the war, until now that is. After Hitler reveals how Europe was in ruins after the war, people had hoped for lasting peace but instead f
