How to Write the Cause and Effect Essay in Four Simple Steps. First, choose an appropriate topic and identify the cause(s) and effect(s). Depending on your project, you may decide to write only about the causes, or the effects, or both. As a rule, ask the question, "why did this happen?" to identify the causes and "what happened because of this?" to identify the effects. In practice, you will realize that a single cause can lead to multiple effects and vice versa.
