Officials Handbook. The NJSIAA provides the Officials Handbook for the benefit of all officials and member schools in our state. To achieve officiating excellence an official must combine knowledge of the rules and of the game with proper mechanics and decision-making skills. The official must also be in top physical condition in order to meet the rigorous physical and mental demands of such activities.

for Match Officials. 171. These guidelines contain practical advice for match officials which supplements the information in the Laws of the Game section. Reference is made in Law 5 to referees operating within the framework of the Laws of the Game and the 'spirit of the game'. Referees are expected to use common sense and to apply the 'spirit of the game' when applying the Laws of the Game, especially when making decisions relating to whether a match takes place and/or continues.
