### History Of The Maya

The history of Maya civilization is divided into three principal periods: the Preclassic, Classic and Postclassic periods; these were preceded by the Archaic Period, which saw the first settled villages and early developments in agriculture. Modern scholars regard these periods as arbitrary divisions of chronology of the Maya civilization, rather than indicative of cultural evolution or decadence. Definitions of the start and end dates of period spans can vary by as much as a century, depending

### History of the Maya civilization - Wikipedia

The designation Maya comes from the ancient Yucatan city of Mayapan, the last capital of a Mayan Kingdom in the Post-Classic Period. The Maya people refer to themselves by ethnicity and language bonds such as Quiche in the south or Yucatec in the north (though there are many others). The 'Mysterious Maya' have intrigued the world since their 'discovery' in the 1840's by John Lloyd Stephens and Frederick Catherwood but, in reality, much of the culture is not that mysterious when understood.
