If you're looking for some fun fiction to enjoy on an Android device, Google's bookshop is worth a look, but Play Books feel like something of an afterthought compared to the well developed Play Music.

Human Physiology Dee Unglaub Silverthorn

Human Physiology: An Integrated Approach broke ground with its thorough coverage of molecular physiology seamlessly integrated into a traditional homeostasis-based systems approach. The newly revised Fourth Edition strengthens the coverage of the "big picture" themes in the study of physiology and helps students tie concepts together in a logical framework for learning.
