Museum of Fine Arts, Boston. John Singleton Copley: John Quincy Adams, 1796. When Henry Adams defined politics as “the systematic organization of hatreds,” he knew what he was talking about. Politics ran in the family. His great-grandfather John Adams, a signer of the Declaration of Independence and the second president of the United States, hated the French Revolution and considered the third president, Thomas Jefferson, the next thing to an anarchist.

John Quincy Adams - American. 2,076 likes. "Courage and perseverance have a magical talisman, before which difficulties disappear and obstacles vanish into air." ~ John Quincy Adams

## **John Quincy Adams - American - Home | Facebook**

Though the presidency of John Quincy Adams was controversial, and was by most standards a failure, Adams did make a mark on American history. The Monroe Doctrine is perhaps his greatest legacy. He is best remembered, in modern times, for his opposition to enslavement, and in particular his role in defending the enslaved people from the ship Amistad.

## **John Quincy Adams | Facts and Brief Biography**

A plan to strengthen and unify the nation, the American System, was advanced by the Whig Party and a number of leading politicians including Henry Clay and John Quincy Adams. Motivated by a growing American economy bolstered with major exports such as cotton, tobacco, native sod, and tar they sought to create a structure for expanding trade. This System included such policies as: Support for a high tariff to protect American industries and generate revenue for the federal government

## **American System (economic plan) - Wikipedia**

The "American System": President John Quincy Adams wholeheartedly supported the role of the federal government in the sponsorship of projects and institutions designed to improve the conditions of society. He had no constitutional doubts about the authority of the President and Congress to construct a system of internal improvements, ranging from roads and canals to harbors, bridges, and other public works.
