KS3 Science - BBC Bitesize

AIMS AND PURPOSES OF SCIENCE. The principal focus of science teaching in the national curriculum at key stage 3 is to develop a deeper understanding of a range of scientific ideas in the subject disciplines of biology, chemistry and physics. Pupils should begin to see the connections between these subject areas and become aware of some of the big ideas underpinning scientific knowledge and understanding.

KS3 Biology - BBC Bitesize

Many schools are asking whether their curriculum is fit for purpose and they're starting with Key Stage 3. Recent years has seen a move towards a 2-year KS3 to help prepare students for GCSE. However, the new Ofsted Inspection Framework is influencing a return to a 3-year KS3 and teaching a broader range of topics for longer.
