Komori S26 S28 Lithrone-420 Manuals Diagrams Service The G40 was developed to reduce the carbon footprint of print, and with its reduced energy consumption, low makeready waste, and a maximum speed of 16,500 sheets per hour, the G40 is the ultimate high performance printing machine. All controlled with Komori's advanced KHS-AI software.

Komori 28 Manual - trumpetmaster.com

Lithrone G40 | Komori Europe That which would constitute a "service manual" for most any Komori press would be a stack of manuals for various devices/options. Funny, I just threw away a stack of Komori technical manuals that was about 2 feet tall a couple weeks ago, although most were for older machines before I started getting everything in digital format.
