### **Misogyny - Wikipedia**

Men hate desperate women. If you are a woman and you are constantly (and literally) on top of your man, it is a huge turn off for them. Guys love attention, don't get me wrong, but they also like to know that you would be able to survive without them; it makes them want you even more. Showing your desperation is often times too much for men.

And women hate us because we won't give them what they want." Motivations for men who decide to go their own way vary, and the discourse is at times unevolved. I found the last three weeks I spent in the MGTOW Manosphere to be, for better or worse, reminiscent of 6th-grade recess — playful, petty and short-tempered.

### **The Straight Men Who Want Nothing to Do With Women**

This mirrors Camille Paglia's argument that a close reading of historical texts reveals that men do not hate women but fear them. Overview. Men's rights activists and other masculinist groups have criticized modern laws concerning divorce, domestic violence, and rape as examples of institutional misandry.
