Myths of the Archaic State: Evolution of the Earliest Cities, States, and Civilizations by Norman Yoffee. In this groundbreaking work, Norman Yoffee shatters the prevailing myths underpinning our understanding of the evolution of early civilisations.

Myths of the Archaic State by Yoffee, Norman (ebook)

Indeed, much of the literature on the evolution of ancient states focuses nearly exclusively on political systems and has tended to reduce the earliest states to a series of myths about godly and heroic (male) leaders who planned and built prodigious monuments and cities, conquering their neighbors and making them powerless subjects of the ruling elites.

Myths of the Archaic State

'Myths of the Archaic State clears away the cobwebs of an earlier generation of anthropological thought and, in its strongest moments, points toward a new configuration of global history.' Science 'Norman Yoffee identifies a series of what he terms 'myths' in archaeological thought, and then proceeds to demolish them one by one, using an astonishing array of case studies, from Mesopotamia to Chaco Canyon.

The exhibition-in-print, Legends and Myths of Ancient Minnesota by Brooks Turner, was delivered to about 36,000 Twin Cities subscribers of the Star Tribune on October 25, 2020. Copies are also on-site at WAM, and available to take home between October 25, 2020-January 3, 2021.

Brooks Turner: Legends and Myths of Ancient Minnesota

from the author, 'Myths of the archaic state' has the merit of gathering them in a way that, with all certainty, offers one of the most incisive global criticisms to the neo-evolutionist paradigm on the emergence of ancient states. Yoffee demolishes the evolutionary 'ladder' myth towards despotic states and, instead, proposes to see
