Our Lincoln New Perspectives On

Foner's extensive research in the Civil War and his fame allows him to recruit diverse historians in order to provide eclectic interpretations of Lincoln. Foner insists that these historians "offer new perspectives on long-debated issues" that help explain "Lincoln's world" and "his own life and career" (13).

Essays range from a focus on Lincoln's leadership as president to his literary styles, religious beliefs, and family life. In 1876 the abolitionist Frederick Douglass observed, "No man can say anything that is new of Abraham Lincoln." Undeterred, the contributors to Our Lincoln believe it is possible even now, especially if the starting point is the interaction between the life and the times.

OUR LINCOLN | Kirkus Reviews

I just finished reading *Our Lincoln: New Perspectives on Lincoln and His World*, a collection of essays on Abraham Lincoln edited by Eric Foner. I assigned this book to my Civil War students this fall. Since some of the essays deal with Lincoln in the Early Republic period, I'm offering my assessment of those chapters here, setting aside the other chapters that primarily focus on the post-1860 period.

Foner's volume "Our Lincoln; New Perspectives on Lincoln and His World," does in fact offer new information. McPherson starts the volume off with a chapter dealing with Lincoln as Commander-in-Chief. While this is also the topic of McPherson's newest book, Tried by War, the topic of Lincoln as the Commander of both political and military America has been long over looked.
