Posts about Paulo Freire written by jonathanbbutler. One facet of this true generosity is that the educator working for freedom and humanization must work with students, with confidence in their own critical consciousness. The oppressed cannot be liberated by slogans, by propaganda passed down to them from a well-meaning elite; these forms of discourse are themselves only means of oppression.

Oppressed people all over the world identified with Paulo Freire's denunciation of the oppressive conditions that were choking millions of poor people, including a large number of middle-class families that had bitterly begun to experience the inhumanity of hunger in a potentially very rich and fertile country.

PEDAGOGY of the OPPRESSED

Freire urges the oppressed - and indeed all humans - to construct and build our own futures, to act as Subjects (those who know and act) rather than Objects (those who are known and acted upon). To act Subjects, we must recognize and align ourselves with history but not succumb to the "rightist" belief that the future is determined by a "well-behaved", "domesticated" present, or to the "leftist" myth that the future is predetermined by fate or destiny.

Paulo Freire presents a very strong argument in Pedagogy of the Oppressed. These ideas challenge the very base of the establishment. Freire attacks many education systems for avoiding the problems that are so apparent. In chapter 2 of Pedagogy of the Oppressed Freire talks about the commonly used method in education called the "Banking Approach".

Paulo Freire It is not possible to remake this country, to democratize it, humanize it, make it serious, as long as we have teenagers killing people for play and offending life, destroying the dream, and making love unviable. If education alone cannot transform society, without it society cannot change either.
