Mediation: A Practical Guide for Lawyers - Edinburgh ...

Mediation is an art not a science. It is for conversations not forced conversions. A process for problems and possibilities. As a process, it can be taught, learned, and applied. It is a tool, one of many, for people to use or abuse at their pleasure, or in their ignorance, as they interact with others. It is international and universal, the product of at least three millennia of human refinement.

'Practical Mediation: A Guide for Mediators, Advocates ...

We tend to want to avoid feelings like frustration, anger, anxiety ... but an amazingly useful meditation practice is to stay with the feeling for awhile. Just stay, and be curious. Get to know yourself. This practice isn't just about focusing your attention, it's about learning how your mind works.
