Open the Printer Driver Setup for Windows - PIXMA MG, TR ...
Have you seen the printer maintenance dialogue box in Windows 10 - or, at least, a way to check ink levels and to be told how to replace a cartridge? If so, please tell me how to get there. If you have not seen it and don't know how to get there, I don't understand why you are telling me to check I have the latest drivers. Assume I say yes.

Unable to find Printer Maintenance in Windows 10 ...
Hi. I've installed windows 10 from windows 7 and everything was working well. After about a week the "Print on Both Sides Instruction" pop-up box stopped appearing. The printer is a HP 1315. I've tried every possible setting and the latest driver from HP. The strange thing is that if I reinstall wi...

Solved: Manual Duplex Printing - HP Support Community ...
To double-check and see whether your printer was installed correctly or to add a local printer manually, open the Settings app. A quick way to do that is to click or tap on the Start Menu's Settings button or to press Windows + I on your keyboard. In the Settings app, open the Devices section.

How to add a local printer on your Windows 10 computer ...
