Today is the 73rd anniversary of Huey P Newton's birth. Huey's autobiography, 'Revolutionary Suicide', remains an important contribution to the field of revolutionary strategy and tactics, particularly for those working in the 'belly of the beast' - the imperialist countries of Europe and North America. While it is of course a work-in-progress, and many of its ideas are untested or incomplete, it raises some hugely important issues that are still very relevant to socialists ...
