For free eBooks, you can access the authors who allow you to download their books for free that is, if you have an account with Issuu.

### River Aire About

The River Aire is a major river in Yorkshire, England, 148 kilometres (92 mi) in length. The Handbook for Leeds and Airedale (1890) notes that the distance from Malham to Howden is 58 miles (93 km) direct, but the river's meanderings extend that to 90 miles (140 km). Between Malham Tarn and Airmyn, the river drops 400 metres (1,300 ft). Part of the river below Leeds is canalised, and is known ...

### River Aire - Wikipedia

River Aire, river rising at Malham Tarn (lake), in North Yorkshire administrative county, historic county of Yorkshire, England. It drains the central Pennines and flows southeastward through West Yorkshire metropolitan county and across the southern part of North Yorkshire to meet the River Ouse at the border of the East Riding of Yorkshire.
