Java-based version of my 1995 textbook The Art and Science of C. My hope is that I can use much of the existing material in writing the new book, although quite a bit of the material and overall organization have to change. At this point, the material is still in a preliminary form, and the feedback I get from those of you who are taking this ...

Java For Artists: The Art, Philosophy ... - Pulp Free Press

Batik is an Indonesian technique of wax-resist dyeing applied to the whole cloth. This technique originated from the island of Java, Indonesia. Batik is made either by drawing dots and lines of the resist with a spouted tool called a canting, or by printing the resist with a copper stamp called a cap. The applied wax resists dyes and therefore allows the artisan to colour selectively by ...
