Next to the skull of the buried man was a forged iron anvil. Grave goods at Kamilamba also included pottery, iron tools, and iron and copper jewelry, the latter probably traded from the Katanga Copperbelt to the south. Only a few individuals were buried with rare items such as the ceremonial axe and anvil.

I have the Art of Marvel Box Set and as far as I can tell, the content from The Art of Iron Man book is pretty much the same in this 10th Anniversary Edition. Still great if you collect these books, like the slipcover, or want the exclusive print, but don't expect it to be much different than the original version.

The Art of the Iron Giant It might have been a long time coming, but The Art of the Iron Giant was worth the wait. Not only is there a wealth of concept art that shows off how ideas were developed, there are also lots of valuable insights from the creators. We couldn't ask for more.

The Art of the Iron Giant | Creative Blog

Striking Iron: The Art of African Blacksmiths focuses on the artistry of blacksmiths in Africa south of the Sahara and features works dating from the 17th century to recent times. More than 10 billion years ago, exploding stars and black holes in distant galaxies seeded the cosmos with iron.

Striking Iron: The Art of African Blacksmiths

The Iron never lies to you. You can walk outside and listen to all kinds of talk, get told that you're a god or a total bastard. The Iron will always kick you the real deal. The Iron is the great reference point, the all-knowing perspective giver. Always there like a beacon in the pitch black. I have found the Iron to be my greatest friend.

"Iron and Soul" by Henry Rollins | The Art of Manliness

How to Iron a Shirt. For these instructions I assume you are ironing a batch of five (5) 100% cotton dress shirts with an iron setting of five to six (depending on your iron). If you're seeking a super crisp look, you'll want to first turn the shirt inside out and iron the inside and then iron the outside of the shirt. This will add another ...

How to Iron a Dress Shirt Properly | The Art of Manliness

arts during the Iron Age, see: Architecture: History & Styles. Only after Greece began to lose its power at the end of the Iron Age (c.200 BCE onwards) did Roman art begin to appear, and this was created largely by Greeks in the Hellenic style. Unfortunately, many of the paintings and other artworks from this period have been destroyed, leaving ...
