The well-known image of Zhuangzi wondering if he was a man who dreamed of being a butterfly or a butterfly dreaming of being a man is so striking that whole dramas have been written on its theme. In it Zhuangzi " [plays] with the theme of transformation", illustrating that "the distinction between waking and dreaming is another false dichotomy.

Butterflies, you see, have been Shapiro's lifelong passion and muse, long before they became for him and the rest of us, in his words, "the proverbial canary in the coal mine of climate change." From pupil to pupa Shapiro first turned to nature and to butterflies as an escape from what he says now was an unhappy childhood.
