Black Company Wiki | Fandom

The Black Company is a series of Dark Fantasy books by Glen Cook, and chronicles an ancient mercenary company — the titular Black Company, last of the Free Companies of Khatovar — as it plies its trade across the world and tries to find its lost roots. The series is notable for its unusual choice of protagonists in a fantasy setting: being a group of mercenaries, the Black Company does not turn down potential employers, and it prides itself on its sense of professional honour.

The Black Company (Literature) - TV Tropes

The series combines elements of epic fantasy and dark fantasy as it follows an elite mercenary unit, The Black Company, through roughly forty years of its approximately four-hundred-year history. Green Ronin Publishing published The Black Company role-playing game in 2004.
