Read Online The Matsushita Perspective A Business Philosophy Handbook

Successful business is ordinary, normal business, selling at a price that allows a fair margin or profit, collecting payment on time, and so on. In setting the price of a product, for example, one has to seek a natural balance between the profit due to the manufacturer and the capacity of the customer to pay.

Matsushita's Seven Principles. 1. Contribution To Society. We will conduct ourselves at all times in accordance with the Basic Management Objective ,faithfully fulfilling our responsibilities as industrialists in our community in which we operate. 2.Fairness and Honesty.

All about Management: Matsushita's Seven Principles

Matsushita would say: "Simply by working hard at your job every day. If you don't put your heart and soul into your work, you won't develop confidence in your performance. Without confidence, you fall into the habit of glossing over your weaknesses. By glossing over your weaknesses, you lose credibility.

The Business Intelligence perspective : business analysis ...

In July, Matsushita called a special management policy meeting and announced his plans for the company's reconstruction. At the annual management policy meeting in January 1951, he said that greater specialization would be needed for the company's next period of expansion, and that the company had to change its narrow outlook to a global perspective, considering itself as a global corporate citizen.

1951 - Corporate History - History - About Us - Panasonic

Business agility as we know, is the ability to compete and thrive by responding quickly to market changes - internally and externally, and seizing opportunities with innovative business solutions.

The Accountant's Perspective - Retune your business for growth

A perspective of humanity refers to one's way of thinking towards people. Matsushita recognized that humanity has an opportunity to harmonize with the universe. Consider this: a company is formed not only by the vision of a leader, but rather by the actions of employees, by the cooperation of business partners, and by the support of customers.
