The Power Of A Positive

In its simplest form, this means that if you learn to harness the power of positive thinking, you'll attract more positive circumstances. However, if you're negative, you'll attract more negativity and pain. At first glance, you might think this describes Karma but in fact, the two concepts are very different. With Karma, it is believed that if you do "good," you will be rewarded; if you do "bad," you will be punished.

contributes to making people happy people. Obtaining the above mentioned results requires some training of the mind and changing its focus from negativity to positivity. There are various techniques that can help you make this shift. Harnessing the Power of Positive Thinking

The Power of Positive Thinking and Attitude

The Power of Positive Thinking: A Practical Guide to Mastering the Problems of Everyday Living is a 1952 self-help book by Norman Vincent Peale. It provides anecdotal "case histories" of positive thinking using a biblical approach, and practical instructions which were designed to help the reader achieve a permanent and optimistic attitude. These techniques usually involved affirmations and visualizations. Peale claimed that such techniques would give the reader a higher satisfaction and quality
