### **The Universal Principles Of Successful**

The Universal Principles of Successful Trading clearly and unambiguously articulates trading principles that distinguish the winners from the losers. Though trading can be performed in different markets, across different timeframes, and with different instruments based upon different techniques, there is one common thread that ties all winning traders together: the universal principles of successful trading .

### **The Universal Principles of Successful Trading: Essential ...**

Success Principle # 1: Definiteness of purpose - you need to know what you want. Sounds simple. Do you know what you want? Having clarity on what you want and what your goals are will create a success consciousness. Decide on a major goal in your life professional or personal. How much time will it take for you to achieve this? Is it attainable?

This is a book of timeless principles used by successful men and women throughout history. I have studied these success principles for over 30 years and have applied them to my own life. The phenomenal level of success that I now enjoy is the result of applying these principles day in and day out since I began to learn them in 1968.

## **The Success Principles - WordPress.com**

Unlike most trading books, The Universal Principles of Successful Trading covers the key principles of trading success. It even has a money management chapter-a topic which most books neglect. I recommend reading this book cover to cover several times. It will change your mind about what's important in trading.
