Nice My First Railway Thomas train! I don't think the other ones are for the My First Railway set, however they are similar in size and would be terrific to play with on their own! The Thomas train is electronic (it works and includes batteries)! The trains may include minor paint wear (see pictures), otherwise they are in good condition! See pictures for details.

My First Thomas lets your child create his first journeys with the No. 1 blue engine. Because of the engine's large-scale design, it's perfect for small hands to grip and push along. As your child sends Thomas on his way, pushes the dome to hear a real whistle sound, and Troublesome Truck wobbles behind, it's the beginning of a friendship that will develop throughout his childhood.
