Traditional Performing Arts Of Korea

Korean performing arts, the dance and theatre arts of Korea, tied from the earliest records to religious beliefs and customs. These date to 1000 bce, and they describe magnificently costumed male and female shamans who sang and danced to musical accompaniment, drawing the heavenly spirits down to earth through their performance.

Korean performing arts | Britannica

The Korean traditional performing arts expressing the ordinary people's life through the history is a synthetic art composed with songs, dances, music, and comedy. It was started from long ago before the art form is divided into several different genres of music, dance, and so on. And it is expected as the model of the future art.

Korean arts include traditions in calligraphy, music, painting and pottery, often marked by the use of natural forms, surface decoration and bold colors or sounds. The earliest examples of Korean art consist of Stone Age works dating from 3000 BC. These mainly consist of votive sculptures and more recently, petroglyphs, which were rediscovered. This early period was followed by the art styles of various Korean kingdoms and dynasties. Korean artists sometimes modified Chinese traditions with a na

One of the surviving traditional martial arts developed in Korea, Taekkyeon, which is quite different from Taekwondo, used to be known by several different names such as Gakhui ("sport of legs") and Bigaksul ("art of flying legs"), although such names suggest that it is related with the movement of kicking. Like most other martial arts in which weapons are not used, Taekkyeon is aimed at improving one's self-defence techniques and promoting physical and mental health through the ...
